## EXPERIENCE

### GIGASOLV CONSULTING

Software Engineer | *March 2024 - June 2024*

- Developed and optimized React components for a customer-facing web app, improving user engagement.
- Identified and resolved bugs in existing React applications, enhancing stability and reducing user complaints.
- Collaborated with the UI/UX team to improve application interfaces, resulting in a 5% increase in conversion rates.
- Managed multiple project timelines efficiently, ensuring high-quality deliverables within tight deadlines.
- Implemented comprehensive error handling and debugging procedures, minimizing post-deployment issues.

### UIPEP TECHNOLOGIES PVT. LTD.

Full Stack Developer | *October 2021 - February 2024*

- Built websites that were cross-browser compatible and met accessibility standards, resulting in faster load time. Worked in an Agile environment using Jira, ensuring efficient sprint cycles and feature delivery.
- Utilized JavaScript to integrate third-party tools (Amplitude, Google analytics) for event tracking and analytics.
- Implemented Securiti.ai, a Cookie consent management platform, enhancing user experience and compliance.
- Collaborated with designers, product owners, and QA testers throughout the development process.

Internship – MEAN Stack Developer | *April 2021 - September 2021*

- Developed user credit management and payment gateway functionality using Angular, Stripe API, and Node.js.
- Collaborated with developers and UX/UI designers to optimize the user interface, leading to a 20% increase in user engagement.
- Built RESTful APIs to integrate with the website, improving application functionality and data flow.
- Worked with Git for version control and Agile methodologies for project management.

## PROJECTS

Career Guidance Chatbot | *January 2020 - September 2020*

Built a career guidance chatbot using Flask and AIML to recommend career paths based on student performance and interests. Implemented text-to-speech using Google TTS API. Built the front-end using HTML, CSS, and PHP.

## EDUCATION

Bachelor of Engineering (B.E.) in Information Science & Engineering

KLS Gogte Institute of Technology, Belgaum

## ACHIEVEMENTS

Winners of VTU Inter-Zonal Football tournament | *SIT Tumkur, 2019*

Gold medal in Karnataka State Olympics (Football) | *Dharwad, 2017*

Gold medal in NCC All India snap shooting | *Represented Karnataka & Goa contingent at TSC Delhi, 2011*
